

# CATAWBA VALLEY AQUATIC CLUB

## ***FEE STRUCTURE FOR SWIM SEASON***

Please see below plan offered to CVAC families for paying swimmer dues.

There will be a payment plan for all families that divides the year (September 1 to August 31) into three (3) equal payment periods. Each payment will be due on the following dates – **Sept. 1, Jan. 1, and May 1.**

There will be a monthly fee offered to new members of CVAC for the first payment period they are swimming. This fee will be payable on the first of the month. Old members may request this payment plan from the coach if the need arises.

### **FEE SCHEDULE (each payment)**

<b>First swimmer</b>	<b>\$200.00</b>
<b>Second swimmer</b>	<b>\$160.00</b>
<b>Third swimmer or more...</b>	<b>\$110.00</b>

**\*\*NOTE** - Fees are due the first of each month. NO partial refunds will be given for swimmers dropping off the team. Swimmers returning to the team after short breaks will be expected to meet fee obligations during the breaks.

**UNITED STATES SWIMMING REGISTRATION/CVAC PARENT BOOSTERS** - This fee will be due by the first fall practice the 2015 year. The fee will be \$70.00 per swimmer per year. All swimmers must be registered with USS. **REGISTRATIONS WILL BE DONE THE FIRST WEEK OF PRACTICE AT THE POOL. SWIMMERS WILL NOT SWIM UNLESS REGISTERED.**

**ENTRY FEES** - Swimmers are required to pay entry fees into meets when they are submitted to the coach. Entry fees will be doubled if entries are submitted late or without appropriate fees. Relay entry fees will be billed after the entry deadline.

**RECRUITING INCENTIVE** - CVAC will credit your account one-month swimmer dues of \$50 for each new swimmer family that our members are directly responsible for bringing to CVAC as new members. These families must join CVAC and meet their financial obligations for the credit to occur. New members may not be recruited from our swim school.

**FUND RAISING** - All family members of CVAC will need to be very active to support the needs of the program. Each family having swum for one year will have \$300 added to their account in September. CVAC offers three major chances to do this; one is the annual Swim-A-Thon held in April, the book sale in August, and the Ad sale for our meets held each year. We encourage all families to participate in the activities by providing incentives for reaching goals. If you do not choose to participate in these fundraising activities, please be prepared to meet your responsibility to the team by making equivalent donations during the fundraising efforts. These commitments will barely help to meet the needs of the team to pay pool rental fees.
